Brook Brand, New York, NY
Graphic Design Intern

02/2018 - 05/2018

I worked with a strategist to develop Linkage's visual communication. We identified the firm's competitive landscape and redefined Linkage's core brand. My task was to bring in mood boards, logo design iterations, and create mock-ups for Linkage's collateral.

The New School, New York, NY
Student Designer,

09/2017 - 12/2017

Collaborated with other students to brand and design collateral for the school. Group dynamics involved students proposing their own solution to the brief and group-up based upon similarities in our design proposals.
